

## **PRESS RELEASE**

### **Library Resumes Limited Indoor Access**

The Clifton Forge Public Library has resumed providing indoor access to the library. However, as the library must limit the number of people inside at any given time, staff may ask you to schedule a time or to wait for a short time.

Due to limited computer availability because of social distancing, it is recommended that you call to schedule an appointment for using a computer.

Access to the library is through the parking lot doors only. Upon arrival, patrons should call the library or knock on the windows to alert staff that they need entrance.

Face masks are required and social distancing is observed.

The library continues to offer curbside service for signing out materials, and for copying, scanning, and faxing services.

For more information, call the library at 540-863-2519. Staff is available from 8:30 a.m. to 5:00 p.m., Monday through Friday.

The Clifton Forge Public Library is located at 535 Church Street.
